

Callan Vassilopoulos

JUNIOR SOFTWARE DEVELOPER

Profile

Knowledgeable in user interface, testing, and debugging processes, with experience in HTML, CSS, PYTHON, and JAVASCRIPT. Able to effectively self-manage during independent projects, as well as collaborate in a team setting.

Employment History

Baker, Bakers Delight, Gosford

DECEMBER 2017 – JUNE 2020

- Completed apprenticeship early due to high level of competency
- Created and managed a daily production schedule to ensure timely delivery of fresh baked goods
- Operated independently a large percentage of the time

Remedial Massage Therapist, Wyoming Osteopath, Central Coast

JULY 2022 – DECEMBER 2023

- Helped prepare muscles to be treated for adjustment
- Worked closely with the Osteopath to develop a pathway to recovery for his clients
- Worked autonomously with clients, developing not only massage techniques but also communication skills

Factory Worker, Agrana, Mangrove Mountain

JANUARY 2023 – AUGUST 2023

- Used scanners to locate and work through product (fruit)
- Sometimes moved over seven tonnes of material by hand in a single day
- Communicated with managers and production managers to ensure lines were working properly
